A non-profit organization with a mission to rebuild families one step at a time through "Faith", while supporting women and families and their various needs relating to:

Domestic violence

Sexual exploitation

Drug and alcohol abuse

Low income families

Child abuse and neglect

We are a faith-based organization that believes the FAMILY is the heart of a strong community. We are engaged with our women's programs, providing one-on-one support; building to include employment, living and coping skills.

Please prayerfully consider donating today to help our communities become better and stronger.

Future Projects:

Men's Ministry

Support for families of the incarcerated

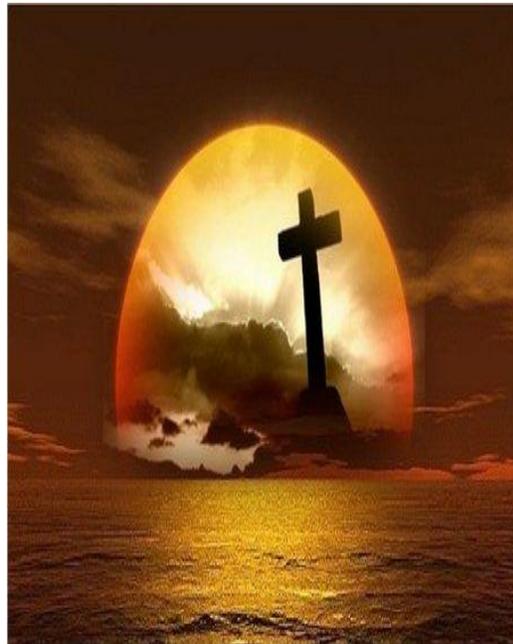

Supporting children of single parent homes

Because you know that the testing of your faith produces perseverance. James 1:3

Summary of research and clinical findings regarding violence in all types of prostitution:

- 65% to 95% of those in prostitution were sexually assaulted as children.
- 70% to 95% were physically assaulted in prostitution
- 60% to 75% were raped in prostitution
- 75% of those in prostitution have been homeless at some point in their lives.
- 68% of 854 people in strip club, massage, and street prostitution in 9 countries met criteria for posttraumatic stress disorder or PTSD.
- 80% to 90% of those in prostitution experience verbal abuse and social contempt, which adversely affect them.
- **85% to 95% of those in prostitution want to escape it, but have no other options for survival.**

“Prostitution is sexual violence.”

Melissa Farley, Psychiatric Times

Mothers are a precious gift from God. The book of Wisdom (proverbs) says there is a woman whose “children rise up and call her blessed, her husband also, and he praises her. Many daughters have done virtuously, but you excel them all” (proverbs 31:29)
